

	Autumn 1		Autumn 2		Spring 1		Spring 2		Summer 1		Summer 2	
Driver Project	Me and My community		Once Upon a Time		Starry Night		Dangerous Dinosaurs		Ready Steady Grow		Animal Safari	
	 This project helps children adjust to school routines, build confidence, and make friends. It encourages kindness, helpfulness, and thoughtfulness at home and school. Children also learn about their uniqueness, the value of friendship, and the importance of family, school, and community support.		 This project fosters a love of stories and reading, encouraging children to learn, retell, and act out traditional tales like Cinderella, Goldilocks, Little Red Riding Hood, The Three Little Pigs, and The Three Billy Goats Gruff.		 This project explores how the world changes at night, the importance of sleep, and what happens while we sleep, including learning about nocturnal animals.		 This exciting project teaches children about the different animals that roamed Earth millions of years ago and how they are related to animals that live on Earth today.		 This project teaches children about food and farming and explores themes, including where food comes from, what plants and animals need to grow and survive and what constitutes a healthy lifestyle.		 This project teaches children about the animals that live around the world, how to look after animals and the importance of caring for our local and global environments.	
Mini Project	Exploring Autumn		Sparkle and Shine		Winter Wonderland		Signs of Spring		Creep, Crawl and Wriggle		On the Beach	
	 This project teaches children about autumn's natural changes, including weather shifts, falling leaves, and how animals prepare for winter.		 This project explores autumn and winter celebrations, focusing on the significance and symbolism of light.		 This project teaches children about winter weather, snowy regions, and the animals that live there.		 This project teaches children about springtime changes, including weather and seasonal festivals.		 This project teaches children about invertebrates that live in their gardens and local environment.		 This project teaches children about the plants and animals that live at the seaside. It also explores holidays in the past and the importance of keeping safe in the Sun.
