

School Development Plan

St. Paul & St. Timothy's
Catholic Infant
School

Goal 1

Strengthen the quality, fluency, and consistency of handwriting throughout the school by implementing a whole-school strategy that promotes fine motor skill development, accurate letter formation, and confidence in written expression

Goal 2

To fully embed the Cornerstones Maestro thematic curriculum and assessment system across all year groups in the Infants' school, ensuring a consistent, engaging, and progressive learning experience that meets the developmental needs of young learners and improves pupil outcome

Goal 3

To develop an engaging, safe, and stimulating outdoor environment that supports physical, emotional, social, and cognitive development for children aged 4–7, with a strong emphasis on Forest School principle.
