

INCLEMENT WEATHER

In case of inclement weather the following will apply:-

- We will keep school open as long as it is safe to do so.
- In the event of snow every attempt will be made to clear one path into school from South Parkside Drive.
- All other gates will remain locked.
- We obviously cannot clear Spring Grove or South Parkside therefore, parents must make their own assessment about any risks involved in accessing the school site.
- Information will be available on the school website - www.stpaulandsttimothys.com
- Through Radio Merseyside's Newsdesk (95.8FM 485 AM/DAB)
- We will also use our texting system, so please ensure that the school has up to date mobile numbers.
- Should weather deteriorate at anytime during the school day, any after school clubs scheduled for that day will be cancelled. However, we will keep the children safely in school until collected.
- All decisions will be made in full consultation with Health and Safety officers in the Local Authority.

Best Wishes

Mrs J. Starkey
Headteacher
